

Videos that illustrate and extend some of the course content in PHYS 1050 – Mechanics :

Title: Vectors [videorecording] ; Newton's laws / California Institute of Technology and the Southern California Consortium ; producer and director, Peter Buffa.

Published: Santa Barbara, CA : Intellimation, 1985.

Holdings:

Location: Sciences and Technology Library

Call Number / Volume: QC 125.2 M4227 no.5-6 Video Disc

Status: Reserve desk

Title: Integration [videorecording] ; Apple and the Moon / California Institute of Technology and the Southern California Consortium ; producer and director, Peter Buffa.

Published: Santa Barbara, CA : Intellimation, 1985.

Holdings:

Location: Sciences and Technology Library

Call Number / Volume: QC 125.2 M4227 no.7-8 Video Disc

Status: Reserve desk

Title: Derivatives [videorecording] ; Inertia / California Institute of Technology and the Southern California Consortium ; producer and director, Peter Buffa.

Published: Santa Barbara, CA : Intellimation, 1985.

Holdings:

Location: Sciences and Technology Library

Call Number / Volume: QC 125.2 M4227 no.3-4 Video Disc

Status: Reserve desk

Title: The mechanical universe [videorecording].

Published: [S. Burlington, Vermont] : Annenberg/CPB Project, c1985.

Holdings:

Location: Education Library

Call Number / Volume: QC 125.2 M422 no.2,4,9,12 Video

Status: Multimedia

Location: Education Library

Status: Multimedia

Title: Moving in circles [videorecording] ; Fundamental forces / California Institute of Technology and the Southern California Consortium ; producer and director, Peter Buffa.

Published: Santa Barbara, CA : Intellimation, 1985.

Holdings:

Location: Sciences and Technology Library

Call Number / Volume: QC 125.2 M4227 no.9-10 Video Disc

Status: Reserve desk

Title: Potential energy [videorecording].

Published: [S. Burlington, Vermont] : Annenberg/CPB Project, c1985.

Holdings:

Location: Education Library

Call Number / Volume: QC 125.2 M422 no.14 Video

Status: Multimedia

Title: Gravity, electricity, magnetism [videorecording] ; Millikan experiment / California Institute of Technology and the Southern California Consortium ; producer and director, Peter Buffa.

Published: Santa Barbara, CA : Intellimation, 1985.

Holdings:

Location: Sciences and Technology Library

Call Number / Volume: QC 125.2 M4227 no.11-12 Video Disc

Status: Reserve desk

Title: The mechanical universe [videorecording].

Published: [S. Burlington, Vermont] : Annenberg/CPB Project, c1985.

Holdings:

Location: Education Library

Call Number / Volume: QC 125.2 M422 no.13,15,19,10 Video

Status: Multimedia

Location: Education Library
Status: Multimedia

Title: The mechanical universe [videorecording].

Published: [S. Burlington, Vermont] : Annenberg/CPB Project, c1985.

Holdings:

Location: Education Library
Call Number / Volume: QC 125.2 M422 no.6,8,16,24 Video
Status: Multimedia

Location: Education Library
Status: Multimedia

Title: Inertia [videorecording].

Published: [S. Burlington, Vermont] : Annenberg/CPB Project, c1985.

Holdings:

Location: Education Library
Call Number / Volume: QC 125.2 M422 no.4 Video
Status: Multimedia

Title: Velocity and time [videorecording].

Published: [S. Burlington, Vermont] : Annenberg/CPB Project, c1986.

Holdings:

Location: Education Library
Call Number / Volume: QC 125.2 M422 no.43 Video
Status: Multimedia

Title: Energy and eccentricity [videorecording] ; Navigating in space / California Institute of Technology and the Southern California Consortium ; producer and director, Peter Buffa.

Published: Santa Barbara, CA : Intellimation, 1985.

Holdings:

Location: Sciences and Technology Library
Call Number / Volume: QC 125.2 M4227 no.23-24 Video Disc

Status: Reserve desk

Title: Conservation of momentum [videorecording] ; Harmonic motion / California Institute of Technology and the Southern California Consortium ; producer and director, Peter Buffa.

Published: Santa Barbara, CA : Intellimation, 1985.

Holdings:

Location: Sciences and Technology Library

Call Number / Volume: QC 125.2 M4227 no.15-16 Video Disc

Status: Reserve desk

Title: Conservation of energy [videorecording] ; Potential energy / California Institute of Technology and the Southern California Consortium ; producer and director, Peter Buffa.

Published: Santa Barbara, CA : Intellimation, 1985.

Holdings:

Location: Sciences and Technology Library

Call Number / Volume: QC 125.2 M4227 no.13-14 Video Disc

Status: Reserve desk
